Dear Parents/Carers

On **Thursday 13th February, from 11am-12pm**, we will be holding our ‘School Readiness’ parent workshop.

As we are almost half way through the year, this workshop will provide a time for us to discuss what we teach in Nursery and how you, as parents, can support your children at home.

“Parents play a crucial role in supporting their children’s learning, and levels of parental engagement are consistently associated with children’s academic outcomes”.

*Education Endowment Foundation*

At Royal Park we believe that the Nursery year is an extremely important year that prepares our children for life at school.

The purpose of the workshop we will be to discuss the following:

- The 7 areas of the curriculum with a particular focus on the 3 prime areas (Personal, Social and Emotional Development, Communication and Language and Physical Development)
- How the learning in Nursery helps to prepare the children for their transition into Reception.

We are looking forward to seeing as many parents there as possible. Refreshments will be provided and younger siblings can attend.

Kind regards

Miss Mahoney and Mrs Medlen
