Dear Parent/Carer,

This half term we have been fortunate enough to purchase the Reception children brand new reading books to help encourage independent reading at home.

However it has come to our attention that these books are being returned in a much poorer condition than when they left, with pages ripped out, front covers missing as well as being returned wet.

With school budgets always being challenged we are unable to replace these damaged items. Meaning the children will miss out on taking these books home, preventing them from continuing their learning journey.

We have a Royal Park value of Respect, which teaches the children to respect others as well as the environment, along with theirs and others belongs. We hope you will help us by continuing this value at home with the books they use.

Thank you for your support with this matter.

Kind regards
