Thursday 6th September 2018

Dear Parents/Carers,

I hope you all had a lovely summer. It has been great to see the children in Sunflowers settle in so well after coming back from the summer break.

To start this half term our theme in Sunflowers is called ‘All About Me’. We want to find out all about the children and their families.

If possible can your child please bring in a picture of them with some members of their family, this will be used as a talking point to discuss their family with peers and adults and to support the children in drawing, painting pictures and writing about their family members.

I look forward to seeing them.

Many thanks.

Miss Cooper
