Monday 18th November 2019

Dear parents and carers,

On Thursday 21st November, year 5 will be designing and building their own bee homes. The first of part morning will be spent in class where the children will be designing their bee homes and, weather permitting, the rest of the day will be spent outside. Please could children come in on that day wearing old clothes (this doesn't not have to be school uniform) that will keep them warm and that they are able to get muddy. Gloves and old trainers or boots are essential for this day.

The children are extremely excited about building their very own bee hotel to support Royal Park's big question, 'Why must we look after our world?' and are looking forward to the coming months to see what creatures may take up residence there.

Thank you for your continued support.
Kind regards
Miss C Lewin & Miss G Harold
