Friday 12th January 2018

Dear Parents/Carers,

We are writing regarding the opportunity for additional support in Y6.

In preparation for SATs this year, we will be running maths booster classes before school on Mondays, Wednesdays and Thursdays at 8:15am beginning 22nd January 2018. Although these will help children to be the best they can be when taking their SATs, they will also be beneficial to children in preparation for secondary school.

The boosters are open to all year 6 children that wish to attend. Please return the slip to inform us if your child will/will not be attending.

Yours faithfully,

Miss Hilton and Miss Goldsmith
Y6 teachers
