Wednesday 14th June 2017

Dear Parents of Carers,

I am writing to you regarding an important part of the curriculum for year 6.

As part of our statutory obligation to our year 6 pupils, we must provide sex and relationships education.

It is at this time in your child’s life that their bodies are changing and their awareness of related issues is increasing. It is particularly important at this time of transition to secondary school as they will be faced with situations where such matters are discussed.

As a school, we would like to ensure that your child receives the key and correct information to allow them to be safe at secondary school and through adolescence, as well as to support them with their understanding as their bodies continue to develop and change.

The sex and relationship sessions will be held on Tuesday 27th June and Monday 3rd July: Mr Moss and I will lead the sessions as we are staff that all of the children know well and feel safe to discuss these sensitive issues with.

If you would like to discuss these sessions and/or see some of the resources that we will use to teach the children then I will be holding a parent’s meeting at 3:45 on Wednesday 21st June in the year 6 classroom.

Yours faithfully,

Mrs Samme
Assistant Head Teacher
